Hancock County Fair Planned for This Fall

The organization of people to form a county wide fair for Hancock County is now a reality. After several planning meetings to discuss the possibilities of such a county wide event this fall are now behind, and a definite name given to the affair - Hancock County Fair Livestock Show, the detail planning will be done by various committees that have been appointed.

Ruble Griffin, local attorney and president of the Hancock County Chamber of Commerce, was the person who conceived of this event becoming a reality for Hancock County. Other interested persons and groups have given full support behind Griffin, and after several general meetings, which were held at Kiln Association School, election of officers and directors were held, the following being named: Ruble Griffin, president, Leslie Breaux, vice-president, and James Ginn, secretary and treasurer.

In order that county wide enthusiasm and support be given to this project, both the board of directors and various committee members were selected from all areas of the county. Below is a complete list of the board of directors:

Cpl. Dennis Ray Killed in Action

Corporal Dennis M. Ray, 21, U.S. Marine Corps, was killed in the Quang Tri Province, Vietnam, April 29 by an M-16 rifle.

His parents, Mr. and Mrs. Donald H. Ray Sr., of 224 Hickory St., Waveland were notified Friday of his death by Major S. E. Jones, Inspector Instructor, U.S. Marine Corps, Gulfport Naval Base. Details of his death are incomplete.

Corporal Ray was serving with Company B, 11th Engineer Battalion, Third Marine Division. He went to Vietnam December 10, 1967, where he was on duty for a year. He came home on a 30-day leave last Christmas and volunteered to return to Vietnam for another six-month tour of duty. He enlisted in the Marine Corps in July 1967, and received basic training at Parris Island, S.C., and Camp LeJeune, N.C.

A native of New Orleans, Corporal Ray moved with his family to Waveland in 1965. He was a graduate of Bay High School and a member of St. Clare's Catholic Church.

Complete arrangements are pending awaiting arrival of the body.

Stock law election preliminaries and a public hearing on proposed amendments to county subdivision regulations were the major items on the Monday docket of the Hancock County board of supervisors.

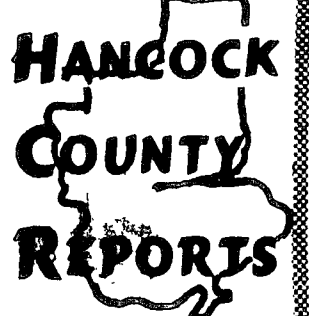

With the assistance of Circuit Clerk Lamar Otis, the board, stated President Russell Elliott, had found 1,156 qualified signatures on the petition calling for the stock law election. The number represents over the 20 percent of eligible voters required by law. Seven signatures found to be duplications were voided by the board.

Saturday, June 21, was set as the date of the forthcoming election which will determine whether or not stock owners will be permitted to continue grazing their animals on open range. This is the year's second attempt on the part of the board and petitioners to settle the bitterly contested issue at the polls, the first having been struck down by the court, largely on legal technicalities, the day before the scheduled election.

Should the question pass, stockmen will have 60 days in which to corral their herds and fence them off Hancock County's public lands. If the question loses, another election cannot be held for two years. In the county subdivision regulations matter, proposed amendments by the Hancock County Planning Commission were tabled for future consideration by the board after a public hearing attended by realtors, developers, and other in-

Port and Harbor Commission

NOTE: This is the first in a series under this title being released to the county newspaper, The Sea Coast Echo. Comments, and or requests to be placed on the mailing list, should be addressed to: Novillo R. Jacob, Public Relations Officer, Hancock County Port & Harbor Commission, P. O. Box 68, Bay St. Louis, Miss. 39520.

Hancock County, like the other 81 Mississippi counties, is administered by a five man board of supervisors. These men, chosen by popular vote, represent the county's five beats (or districts) and are elected at a general election on an at-large basis.

To qualify as a candidate, the prospective supervisor must be a resident of the district for which he is chosen, and must own \$300 or more worth of real estate in that beat.

After election, the supervisors must take an oath of office and post surety bond. The bond penalty must equal or exceed five percent of all state and county taxes, shown by the assessment, to have been collectible in Hancock County for the year immediately preceding his term of office.

Elected to serve in Hancock County, at a general election on November 7, 1967, with their four year term of office to commence on January 6, 1968, and their beats, were, Charles Russ, III, Vice President, 1; Alton A. "Dolph" Keller, State Executive Committee, Board of Supervisors Assn., 2; Joseph A. Cuevas, 3; J. C. "Peck" Mautray, 4; Russell J. Elliott, President, 5.

The supervisors are empowered to perform many functions in their role as the county's governing body. They supervise the operation of the Chancery and Circuit clerks, are directly responsible for road and bridge construction and maintenance, seawall maintenance, the support of the National Guard, to provide homes for the aged, levy taxes, and build and maintain a courthouse and jail.

Further illustrating their powers, the supervisors directly appoint five port and harbor commissioners, their board of attorneys, the board of public welfare, county hospital and health center trustees, library board members, junior college trustees (in coordination with other participating counties), board of supervisors, commissioners of natural resources (Hancock County is participating counties), and supervisors of the county's various departments.

Also, when receiving and processing applications for various licenses, such as physician and dentist licenses, the supervisors have the authority to grant or deny such licenses. They also have the authority to grant or deny applications for various permits, such as building permits, and to regulate the use of land in the county.

THE ANNUAL ART SHOW was held at Hancock North Central School and was composed of Elementary, Junior High and High School students who had their best works displayed in the school library for the P.T.A. Little Theatre Delegates Attend State Convention

The Bay St. Louis Little Theatre was represented in Meridian recently by its chairman of production, Bert Barrett, Mrs. Barrett, and executive board member Pete Chapman, who attended the thirteenth annual convention of the Mississippi Theatre Association.

"It would be impossible to put into words the invaluable lessons learned and the pleasure of friendships made at a convention like this," reported Mr. Barrett. "The interaction of the representatives and the exchange of ideas to improve the art of drama in the state of Mississippi and to enhance the state image outside this area were among the greatest rewards of our attending."

Meeting in a three-day session beginning April 26, the convention concerned itself with workshops, panel discussions, technical and business meetings, addresses by outstanding speakers, and the viewing of films and live drama, as well as many delightful social affairs planned for the delegates by their Meridian hosts.

Of outstanding benefit to those attending was New York director and drama teacher David Shaber, who conducted workshops at which delegates could observe his methods as he directed local actors in several excerpts from well-known plays. Also featured was television, stage, and motion picture actress Phyllis Kirk, who spoke on the importance of community theaters and their contribution to our national culture. Other highlights of the weekend were the presentation by the Meridian Little Theatre of Woody Allen's current Broadway comedy "Don't Drink The Water" and the showing of a motion picture.

Supervisors

from Page 1-A.) Citizens, as well as representatives of the planning commission, are holding action permits for the use of certain property used in the commission's proposals, but is not to be used in any large scale. The plans are for the administration of the commission's regulations. The public hearing permit is a continuation of an existing permit which requires a development individual builder to permit regarding sewer water from the Mississippi and Water Pollution Commission as a condition procedure. The commission's re-decision of the term "subdivision" to include other elements when the same is used for the sale of the land, regardless of whether it is an official plan thereof or not filed. The commission proposed a lot size from present minimums to 326,000 feet with a minimum of 210 feet, which is being used. On suggestions from spectators at the hearing, the amendment is to be amended to permit of such size as determined by the Mississippi State Health to be suitable for tanks and septic tanks. The amendment was also changed to make the planning commission responsible to the supervisors in the administration of subdivision regulations. Supervisors also took up the present resolution of the 16th Section of the city to be available to the public for lease for a 25-year basis. The area has been leased for lease to the Test Facility Building families who were located by the NASA. The amendment will be accepted by the old Kings County Hospital, on Carroll Ave., on May 15. LITTLE LEAGUE ACTION

Alan Favre and Jack Lewis backed Herman Weavers five

hit pitching with three hits each to give Hancock Bank a 19 to 7 win over Riemann's in the 1959 LL opener. Rhodes, McDonald, Black, Laht, Weaver, and Ginn had one hit each for Hancock. Brian Faciane led Riemann's with three hits while Ricky Favre and Alan Smith had one each. Ricky Favre was the loser.

In game 2 three Jaycees Pitchers held the Legion hitless but 5 unearned runs gave the veterans a 5 to 4 win. Ricky Geoffrey pitched a two hitter to win and Arthur Smith was charged with the loss. David McCaleb and Kevin Corr got base hits for the Jaycees.

Merchants batters bagged eleven hits behind Robert Smith's 3 hit pitching to dump Gulf National 17 to 2. Tim Favre went 4 for five, Randy Krankey 3 for 5, and Keith Neacase 2 for 4. Single hits were added by Dave McDonald and Kevin Prosser. Harry LaFontaine was tagged for the mound loss. Tim Murphy with two hits and Vernon Powell with a double led the Nats hits.

Riemann's rallied in the fifth for 9 runs and came back 11 to 8 win over Gulf National on Saturday afternoon. Winner Brian Faciane had five hits, K. Mitchell, A. Favre, A. Smith, Faciane, and Maurice hit safeties for Riemann's while

WARREN CARVER

CANDIDATE FOR MAYOR SAYS--

This might well be one of the most important city elections ever held in our community. Study the candidates and their backgrounds. Make your decision wisely. Cast your ballot for those whom you earnestly believe have the interest of the town in their hearts.

MAY I REPEAT WHAT I CONSIDER TO BE MY QUALIFICATIONS FOR THE OFFICE OF MAYOR:

- 1. Experience:** A previous term as mayor from 1949 to 1953;
- 2. Business Management:** Since 1941 my two partners and I have conducted a successful business operation in the community.
- 3. A Knowledge of Municipal Finance and Municipal Management:** Seven years with the Mississippi State Department of Audit has given me a useful knowledge in this particular field;
- 4. Community Interest:** Among other things, a candidate for public office should be one who has taken an active interest in the affairs of the community. I have tried my best to live up to this principle during all of my adult years.

YOUR VOTE IN THE FORTHCOMING
ELECTION WILL BE MOST APPRECIATED

RESPECTFULLY SUBMITTED,

WARREN CARVER

(Pd. Pol. Adv.)

Proven In Office!

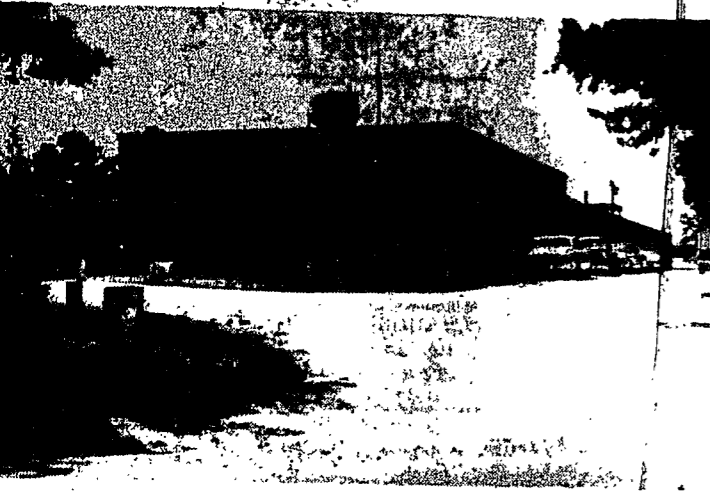

A PROUD RECORD IN A GREAT CITY

Never before in the history of our community has so much been accomplished by one city administration. Never have so many modern, efficient, up-to-date city services been offered to Bay St. Louis citizens. Our beaches and streams are clean because of our sanitary sewerage system. Our fire insurance rates have been lowered because of the vast improvements to our water system. Garbage collection is regular and convenient and our police and fire departments are trained and well equipped. Our school system is one of the finest in Mississippi and we are proud to support it.

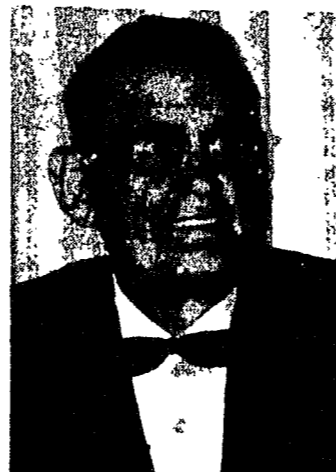

We have actively sought industry for our community and will continue to do so. Street paving and drainage improvements are progressing at a rapid pace, and soon the entire city will have high intensity, mercury vapor street lights instead of the old incandescent fixtures.

This is only a small sample of the progress Bay St. Louis has enjoyed during this administration. We submit that your city government has been efficiently and judiciously managed. We earnestly solicit your vote and influence on Tuesday.

Rocks Win City Championship

By Keith Lashley
The St. Stanislaus Rock-A-Chew of Coach James Thriftley captured the city championship and defeated arch-rival Bay High Monday evening on the Rock-A-Chew diamond.

Stanislaus started off with four big hits in the first inning by Dennis Burmaster, Mike Gemelle, Paul Czevet and Emil Lewis and held Bay High scoreless for two innings.

In the third inning Bay High scored five runs on Emil Lewis to take the lead five to four.

Stanislaus scored four more runs in the sixth by Ed Favre, Ed Weidner, Dennis Burmaster, and Ronnie Proudhomme and sent Bay High down one, two three, in the seventh to wrap it up.

Ronnie Proudhomme was the winner pitching four and a half innings giving up no runs and no hits. Jack Strong was the loser, giving up eight runs on eight hits.

Burmaster was hit by the first pitched ball moving him to first. He stole second and third and scored on a sacrifice by Proudhomme.

Gemelle got a base hit, stole second and scored on a double by Gravolet. Lewis went to first on error and Gravolet stole home, and Lewis scored on a single by Favre.

Bay High exploded in the third for five runs. Bill Redo led off with a base hit followed by Wendell Williams with a base hit. David Kidd got on by error and scored Redo. Randy Starita got a base hit and scored Williams. Mike Strong followed up with a single to score Kidd. Paul Wood walked to load the bases and John Dougher walked to score Starita. Strong scored on an error.

In the sixth inning, Stanislaus rallied for four runs. Favre and Weidner both got on with singles. Burmaster brought Favre in with a single. Proudhomme got on by error scoring Weidner and Burmaster. Proudhomme scored the last run on a base hit by Gemelle. Stanislaus is now 11-2 and close out their season Wednesday against Harrison Central.

Livestock Bureau To Issue Book

The Brands Department of the Livestock Bureau is presently preparing to issue the 1969 Brand Book for distribution to Sale Barns, Chancery Clerks, and Sheriff's Offices. The law requires that for a person to use a brand, it must be recorded every five years or ownership will be lost. H. L. Vinson, Director of the Livestock Bureau, indicated that it is also a dangerous practice since two people may be using the same brand.

While the majority of brand owners have re-recorded their brands for the present five year period, there are many who failed to do this when the expiration date of June 30, 1967, came around.

Hospital Auxiliary Makes Service Study

Mrs. A. S. Klempeter, president of the hospital's women's auxiliary, named a committee to make a study of methods whereby the Comfort Cart and Gift-Shop service might be improved for the patients and their families. Pink Ladies have agreed to wear identification tags while on duty in order to assist the public with easy recognition of their names and duties. It is the aim of this auxiliary to serve the community on a voluntary basis with the hope of bringing comfort to the aged and sick and the very young and by adding to the cultural atmosphere of the county.

During the Open House Mrs. Jules Toledano will be on duty in the Chapel. Those who care to make a donation for their loved ones names to be placed in the Book of Memory should make their wishes known to Mrs. Toledano.

SYLVAN J. LADNER
IS A VOTE FOR GOOD
AND PROGRESSIVE
GOVERNMENT**

I WILL COOPERATE AND WORK WITH THE SCHOOL OFFICIALS FOR THE PROGRESS AND GOOD OF OUR SCHOOLS, BECAUSE GOOD SCHOOLS ARE VERY IMPORTANT IN ANY COMMUNITY AND ARE VERY IMPORTANT FOR THE ADULTS OF THE FUTURE.

ONE OF THE FIRST AND MOST IMPORTANT QUESTIONS ASKED BY A FAMILY WHEN MOVING TO A COMMUNITY, PARTICULARLY THOSE THAT HAVE CHILDREN, IS "WHAT KIND OF SCHOOLS DO YOU HAVE?" WE WANT TO BE ABLE TO SAY THE BEST.

I WILL WORK TO SEE THAT THE CITIZENS OF THE NEW ANNEXED TERRITORY HAVE GAS, WATER, FIRE PROTECTION, AND RELIEF IN THEIR DRAINAGE CONDITIONS. THESE CITIZENS WERE TAKEN INTO THE CORPORATIONS LIMITS OF BAY ST. LOUIS, APPROXIMATELY TWO YEARS AGO.

AS THE CAMPAIGN FOR MAYOR COMES TO A CLOSE, I CAN SINCERELY SAY THAT I HAVE ENJOYED MAKING THIS RACE AND APPRECIATE THE WONDERFUL HOSPITALITY OF THE MANY PEOPLE OF THE CITY WHO HAVE GIVEN ME ENCOURAGEMENT AND SUPPORT. I WISH I COULD HAVE TALKED PERSONALLY WITH EVERY VOTER IN BAY ST. LOUIS, BUT SINCE THIS IS IMPOSSIBLE, I EARNESTLY INVITE ALL MY FRIENDS TO PERSUADE THEIR FRIENDS TO SUPPORT MY CANDIDACY.

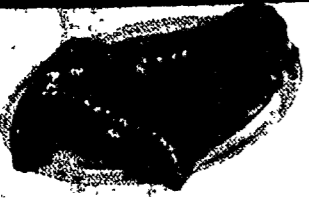

I HAVE NEVER CLAIMED TO BE PERFECT IN ANYTHING, BUT I THINK THE OPINION OF MOST OF THE PEOPLE OF BAY ST. LOUIS AND HANCOCK COUNTY IS THAT SYLVAN J. LADNER, JR. MADE YOU A GOOD CITY COMMISSIONER AND SHERIFF & TAX COLLECTOR, WHEN I SERVED YOU IN THE PAST. I GAVE YOU THE BEST SERVICE IN MY POWER, AND I BELIEVE THAT MY BACKGROUND OF TRAINING AND EXPERIENCE PLACES ME IN A POSITION TO SERVE YOU AGAIN, IN A MORE EFFICIENT AND COURTEOUS MANNER.

I THINK YOU WILL AGREE THAT MY EDUCATION, TRAINING, AND MY ON THE JOB EXPERIENCE AS YOUR FORMER CITY COMMISSIONER AND SHERIFF & TAX COLLECTOR WILL HELP ME TO MAKE THE PROPER DECISIONS WHEN THE PROBLEMS ARISE.

REMEMBER THE VOTE YOU CAST ON MAY 13, 1969, MAY BE THE MOST IMPORTANT VOTE THAT YOU HAVE EVER CAST. IT WILL BE FOR YOUR LONG YEARS, AND THE RESULTS OF THIS VOTE CANNOT BE CHANGED. WHEN YOU GO TO THE POLLS, STOP--LOOK--THINK OF THE FUTURE OF YOUR TOWN AND VOTE FOR SYLVAN J. LADNER, JR. FOR THE MAYOR. AS HE WILL GET YOU OUT OF THE HOLES AND KEEP YOU FROM THE HOLES OF THE FUTURE.
**VOTE FOR AND ELECT SYLVAN J. LADNER, JR. Respectfully submitted,
AS YOUR NEXT MAYOR FOR HIS SYLVAN J. LADNER, JR.

County Agent Gives Report

According to John W. Smith, County Agent of Hancock County, the Landscape Workshop held on April 22, 1969 was a big success. Approximately 85 attended the Landscape Workshop.

Mr. Gordon did an outstanding job in presenting information pertaining to the Landscape Problems.

Mr. Smith stated not enough people attended as a program of this type is one of the big needs in this area. We have many problems on diseases and insects of landscape shrubs and lawn grasses.

Twenty-seven door prizes were donated by: Mauffray Hardware Store, McDonald & Sons, Mississippi Power Company, Holiday Nursery, Casanova Auto Parts, Jeanne's Nursery, Mrs. O. Duke, Coastal Farm Supply.

Refreshments were compliments of the Coast Electric Power Association and Mr. Joe Lolacano.

The Extension Department, appreciate the cooperation of these concerns in helping to develop the community beautification program.

KANTCHA KETCHUM

By L.S. (Doc) Elliott

Bad winds over the week-end hindered both salt and fresh fishing as well as soft crabs and floundering. However, some bass and trout were taken where still water was present. Fishing is getting better all the time. Name big ones were taken along the banks of the tributaries of Pearl River.

Emile Bertucci, August and Young Truly caught one hundred bass and trout. We brought them home and they landed in Doc's boat. They were all sizes.

Speaking of soft crabs, Buddy and Donald Strong caught one on a night last week. This is the news we've been waiting for.

Thomas reported getting a share of soft crabs and trout. If this weather will hold, plenty of soft crabs will be caught nightly.

Myrtle Stettel hauling in the fish lately. Myrtle has been fishing a long time and always gets her share.

For you amateur boatmen, try to start an outboard in neutral. Otherwise, a good way to go over board.

Run a picture of the man of the week. But the trip of the week was by 10 men namely, C. Elliott, Thompson, M.C. Mutt, Carter, Doctor Walter Ernest, Bill Ed Stephens, Everett Brown, Kenneth Elliott all of here, Louisiana, Luke Elliott, Baton Rouge, Tony Enten, Jr., of New Orleans and Elliott locally. Trip was on Capt. "Red" Crenshaw's boat "The Silver King" out of Bayou La Batre. He transported the fisherman Chandelier Island.

Captain and his crew, Jim Holland, mate and Carl Cook are a swell bunch of guys.

The fisherman had his own motor. Kenny was the fisherman who never stays one place with Tony at his anchor man.

John Mutt, Doc, Bill, Ed and Everett caught the most fish. Pa Wee and Doc turned in a fish without any misadventure. How stupid can we get.

The fish wouldn't cooperate. The trip was perfect and one to be remembered. Myrtle told me there would be trips like this. All were a bunch of fellows. Thanks for telling me.

When riding in a small boat, up front, remember to hold the anchor.

T. Seethers, father of Bill Dahlstrom of Groves, Texas, visited Bob and Dahlstrom, Jr. is a fresh fisherman. Salt water was a new experience.

Mr. and Mrs. Joe Wyman and nephew Freddie Lister do a lot of shrimping and oystering. They starve that-a-way.

Mr. and Mrs. Rita Crowder down our way trying to make a buck at fishing, crabs, and oysters. Do go bad.

When riding in a small boat, up front, remember to hold the anchor. It serves as a life preserver. I know I've been overboard. An overturned boat sinks. Stay with it.

Ed's Pussie Cat Rig is a deadly double twin killer for speckle trout. It is made by Boone Bath Company, Winter Park, Florida. We know it and know where we speak. Order a couple.

Alden Mauffray has been catching his share of bass and perch. He fly fishes and casts. Talk to Alden, he can give you a lot of pointers on fishing. He sells tackle too.

SPORTSMAN OF THE WEEK
Tom Hinton is shown with the big red fish he caught recently. Tom is an ardent fisherman and goes on every occasion. He does mostly salt water fishing. Would like to catch one that size myself.

The beach has been looking like Canal Street lately. Lights can be seen from Bayou Caddy to Cedar Point each night. Try soft crabs and floundering, you'll like it.

Speckle trout must be coming in. Some have been caught off the highway bridge, down Waveland way and up Jordan River. About time.

When fishing carry a first aid kit. A hook in the hand or a catfish fin are rather painful. They should be treated pronto. It's a small item, but very useful.

Percy Allan of Kosciusko, Miss., has been visiting Dick Mestayer. Percy says he is a farmer and knows how to milk cows, not fish. You're never too old to learn, Buddy.

Passing this news on to those who like to catch speckles, Doctor Lebron says a Boone's spinna, red and white, really gets 'em. He gets his share of fish on each trip. You can get them at Wilson's in Gulfport.

Ate boiled crawfish at the Show Boat. Bill Stewart is owner and serves crawfish and oysters. Visit the Show Boat if you love seafood.

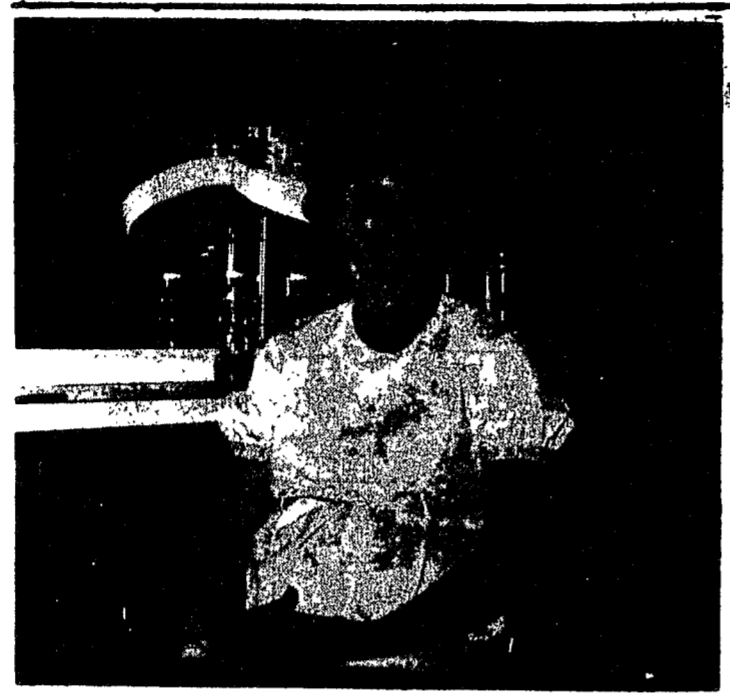

Couldn't go soft crabs over the weekend. Water too rough, cold, and too much wind. Should be perfect from now on.

Understand you can purchase prepared catfish at Winn-Dixie. They can't be beat when it comes to eating seafood.

Turtles are seen in most of our streams. The snapping turtle a large type of freshwater turtle, reaches a weight of 40 pounds or more. It is a prized delicacy and food, especially when cooked with spaghetti. Keep your hands away from its mouth, they are of the snapping variety.

Hard crabs are being caught now. When boiled they are delicious for eating. A couple of crab nets baited with chicken necks or meat will catch them. Along the seawall is a good place to get 'em.

Carl Israel stationed at Viet Nam has been visiting his dad for the past 14 days. Carl enjoys fishing and got in a couple of trips while here. Hurry home, Buddy.

Miss Barbara Kinnebrew, Librarian at Hancock North Central School received the dedication of the school's Yearbook.

The dedication reads: "We the students of Hancock North Central, owe much to our Librarian, Miss Kinnebrew. The attractive, well-equipped library we now enjoy is the result of many diligent hours that she has spent working for our school.

MIKE NECAISE, a student performer for the William Carey College Crusaders for the past two seasons, has been chosen to tour South America with the NALA District 27 team from August 15 to September 10. This honor tops a very respectable season for the sophomore from Bay St. Louis. He was also named to the NALA honorable mention All-American team. The team will be coached by Robert Hopkins of Alcorn A & M College. Necaise, who led all scorers on the Carey squad this past season, averaged 18.1 points per game in 1968. Little League Minors Meet

Twenty-six boys showed up Saturday at McDonald Field for the first day of training and practice in preparation for the May 24th selection of four Minor League Baseball teams. About as many who had registered previously failed to show up. The Minor League is a part of the Little League Baseball program and future openings in the Little League regulars will be filled only from the Minors. The Minors meet for the next two Saturdays from 9 a.m. to 11:30 a.m. and on Saturday May 24, will be split into four teams and receive uniforms. Regular season games will begin at 5:30 June 2. Practice and training sessions will be held on Saturdays in May and on Monday and Wednesday mornings starting June 2. J. E. Lofcano, head coach at Bay High, and Raymond Strong, well known local athlete and umpire, have been retained to conduct the training and practice sessions for the Minors and to umpire the Little League, Minor League and Junior Softball games at McDonald Field.

Your Heart Fund dollars played a vital role in the dramatic decline of cardiovascular death rates for persons aged below 65 that has taken place in this country since 1960. The overall decline amounts to 18.4 per cent.

GORDON arrived Monday via plane from Los Angeles, Cal., to spend a few weeks with her parents, Grace and Robert (Sam) Bordages, brother Tommy and sister Lisa.

SUE (MRS. BOB) HARVEY is in line for a get well wish having sustained a couple of broken ribs in a fall at her Felicity Street home last week.

RAY DAVIS has a similar greeting. He's been very much under the weather of late.

ALMOST NEWCOMERS to be welcomed to Waveland are Doris and Pat Burke who recently purchased the La Fite Drive home formerly occupied by Lee and Chuck Le Croy. Also, Millie and Nelson Miller and daughter Carol, who have moved into Elnora and Bob Whitson's former residence on Grosvenor Place.

INCIDENTALLY, Bob briefly visited old pals at the test site several weeks ago. Terry Malone reports that he and Nora are still in Arlington, Va., but would very much like to return to the coast.

PRETTY KAY BEARD gave husband Lee a fishing trip for his 38th birthday on April 29. She admits that she enjoyed the gift just as much as he did, as they caught a large number of tasty trout on the outing.

CLEMENTE CUEVAS left Friday for his home in Castile, Germany. He took advantage of just about every form of fishing available in these parts after ascertaining that his father, Robert's condition was much improved. He angled in both salt and fresh waters, shrimp, caught soft shell crabs, flounders and shrimp, and even managed to squeeze in a couple of frog hunting sessions.

THE ECHO has another new and very good looking employee. Dawn Penrose joined the staff last week.

WE ARE very sorry to learn of the passing of long-time Waveland resident, Mr. Edward Carrere, whom we will always remember each time we pass his beloved view of the beach front.

MISS MAUDE MASCARO, who with her sisters spent most weekends and vacations at the Mascaro South Beach home, is another who will be missed. She died in New Orleans last Sunday following a brief illness.

TRUE FRIENDS of the Library will make themselves known when they begin the mammoth task of moving all volumes from the Court Street buildings to their new location on the corner of Dumb and Olman.

WE HOPE that Nellie (Mrs. Arthur) Lotecano will forgive us for being so behind the times with her happy birthday greeting. Nellie cut her cake around the middle of last month.

WHICH WAS ABOUT the same time that Allison and Willie Heath's automobile was stolen from beneath their noses, so to speak. They were in the throes of income tax doings when the vehicle was driven away by a precocious juvenile. Fortunately it was recovered undamaged in Mobile, Ala.

DON'T BE A SHOW-OFF BEHIND THE WHEEL

Your son and your car are excellent or a deadly combination. It depends on him and you. Have you impressed upon him the responsibility he has to himself, to you, and to his fellow drivers? Does he know it's not smart to take chances in traffic and run stop signs and scratch off?

Have you set the example you want him to follow while driving?

We want your son to be a safe and sane driver. We want him to LIVE TO GRADUATE and a lot longer, too.

FOR MANY MONTHS THE COMMITTEE FOR BETTER CITY GOVERNMENT HAS HARANGUED THE PEOPLE OF BAY ST. LOUIS WITH RUMORS AND INUENDO THAT SOMETHING WAS WRONG AT CITY HALL. A GREAT DISCLOSURE SHOULD HAVE BEEN EXPECTED.

WHAT HAPPENED ?

IN THE DYING HOURS WE FIND THAT THE MAYOR IS AN INSURANCE AGENT, THIS IS ALL

For the last two years members of the self-styled committee have gone through all city records with a fine tooth comb. If this group was truly interested in better city government, why wait until the end of a campaign to submit their findings to the people? Could it be that they would have been exposed, not the Mayor?

It is true that the Mayor countersigned some fidelity bonds. Contractors are required by State law to file fidelity bonds

with the local units of Government with which they do business. All contractors doing business with the City of Bay St. Louis have been required to do this. The fidelity bonds referred to in the committee's Sea Coast Echo ad of May 1, 1969 had as surety thereon American Employers Insurance Company, the bonds were written by Marshall Brown Insurance Agency of New Orleans, Louisiana. (Public records also in City Hall.)

Section 5719, Mississippi Code of 1942 requires that these bonds (fidelity insurance) be countersigned by a local Mississippi agent. This section of the Mississippi Code is as follows:

§ 5719. Policies of insurance must be written through resident local agents.

No fire, fire marine, accident, health, employers' liability, steam boiler, plate glass, fidelity, surety, burglary or other insurance company except life insurance companies, not incorporated under the laws of this state authorized to transact business herein shall make, write, place or cause to be made, written or placed, any policy, duplicate policy or contract of insurance of any kind or character, or any general or floating policy, upon persons or property in this state, except after the said risk has been approved, in writing, by a local agent who in a resident of this state, regularly commissioned and licensed to transact insurance business herein, who shall countersign all policies so issued or contracts of insurance, and receive the full commission thereon when the premium is paid, to the end that the state may receive the taxes required by law to be paid on the premiums collected for insurance on all persons and property situated in this state. Provided, however, that the provisions of this section shall not apply to individual firms and corporations indemnifying themselves through reciprocal contracts, and not employing local agents. No provision of this section is intended or shall be so intended as to direct insurance covering the rolling stock of railroad corporations or property in transit, while in the possession and custody of railroad corporations or other common carriers. Provided, however, that the written approval and countersignature of local resident agents may be in facsimile when used solely in connection with personal accident insurance covering travel issued through the medium of policy dispensing machines, however, land travel insurance so issued may not be issued for a period longer than seven (7) days from the date of issue.

SOURCES: Laws, 1963, ch. 465, eff from and after passage (approved June 1, 1963).

Your Mayor was requested by Marshall Brown Insurance Agency to countersign the policy. This he did and the State of Mississippi did receive the taxes required by law to be paid on the premiums.

YOUR MAYOR HAD NO INTEREST DIRECTLY OR INDIRECTLY WITH ANY CONTRACT ENTERED INTO WITH THE CITY OF BAY ST. LOUIS; HIS SOLE DEALINGS WERE WITH A NEW ORLEANS INSURANCE AGENCY WHICH WAS ALSO NOT INTERESTED IN THE CONTRACT; THIS THE COMMITTEE FOR BETTER CITY GOVERNMENT HAS KNOWN FOR MANY MONTHS. AS USUAL, THE MOOD OF THIS GROUP IS A RUST. BE NOT DECEIVED BY DECEPTIVE ADS.

STORK'S DERBY
AFTER SURVIVING the first week of our annual Day-Long Saving Time, we remain among the obvious minority of approximately 40.00 percent of those who wish that time, at least, be left alone. We can hear the screams of dissenters, even as we type these lines—and if you enjoy the later-every-day snafus, have a ball! Garden until the gnats and mosquitoes literally wafting away enough blood to make you enemic—linger upon the beach until the sand flies do likewise—golf, swim, play tennis or fish until all hours, then when you fall into bed, entirely exhausted after attempting to digest an undigestible late dinner; remember that when the alarm goes off at 7 a.m., it's really only 8, but the clock at the office is asynchronized with those in all but three states, so up-and-at-em; after all, you'll gain that hour back in only a little over five months!

WE'RE REALLY only kidding - there are many advantages in living in what almost amounts to being 'the land of the midnight sun'; it's simply that we just don't get really hungry until darkness begins to fall, and washing dishes at all hours, while our own fault, makes bedtime seem to arrive much too early. We are happy that everyone now realizes that there are day people and night people, but regrettably, the night people are the losers in the turn-back-the-clock game. Unfortunately, some of the more famous nocturnal ones, or perhaps notorious, would be a better word; are Boston Stranglers, Jack the Rippers and their like so if DST helps lower the crime rate, we'll cease our little cry in the wilderness and pretend that it's 4 p.m. when the very sun above clearly shows that it's only 3!

FRAN AND URBAN STORK'S first annual (we sincerely hope) Kentucky Derby Day party was even more fun than an actual jaunt to Churchill Downs, with touches so authentic that guests truly felt that they were visiting Majestic Prince's successful run for the roses. The door of the Stork's lovely Lakewood Drive home was decorated with an appropriately festooned horseshoe and the place of resistance was a gift sent via Air Mail Special Delivery from Evansville, Ind. by Mr. and Mrs. Alvin Levy. The Levys were unable to send a real horse through the mail, so settled for the next best thing. Those enjoying delicious food and genuine mint juleps included Thelma and Charles Elliott, Joyce and Bob Warner, Alice and James Bennett, Dee and Buddy Dodson, Louise and Joe Wymer, Jewel Miller and Walter Crawley, Shirley Williams, Lois and Pat Glass, Bessie and Lester Haverty, Edith and James Ruhl, Linda and Tommy Kidd, and Naomi and Jack Doyle. Accompanying the DoYLES were Hack's lovely sister Mary, who brought a big surprise along with her when she arrived from the Crescent City. The surprise being her brand new fiancé Tom Strain. Mary and Tom plan to wed in the very near future. Mike Horne was also on hand and he combined pleasure with the business of seeing that no one arrived without having their thirst immediately quenched.

REV. BERTRAND ECKERT, who recently returned home from a voyage to India, will soon be Vietnam bound for about the tenth time.

BEING QUITE HUMAN, once again we've erred, so hope we'll be forgiven for listing the incorrect name of one of the guests at a recent party. The gentleman present was actually Ed Brennan.

A HOST OF Gerry (Mrs. Charles) Johnson's friends sent best wishes for her speedy recovery by signing a lovely get well card at St. Clare's Friday night benefit. Mrs. Fred Stromeyer thoughtfully purchased the card and allowed Gerry's pals to place their signatures upon it.

DOT AND JIM GUFFY were among Hancock Countians flying to Louisville to view the Derby in the flesh—horse flesh, that is!

LAKESHORE GARDEN Club members will be among those who should be eternally grateful for the fact that the fence around the cemetery in that end of the county has at last been erected, although we wonder what they'll use as a topic for old business at meetings in months to come? The gentlemen who gave freely of their time and labors to construct the much needed barrier are, Victor Green, Sr., Victor Green, Jr., Robert Lader, Tommy Lader, Harold Garcia, Larry Peterson, Don Smith and Jimmy Thornton.

HAPPY BIRTHDAY greetings are on the way to Patricia and Joey Smith, both cut birthday cakes in April.

HELEN REUTHER, whose Beachview Restaurant is well on the way to becoming famous for tasty food, has asked our aid in finding the lady who aided her grandson, Earl Reuther when he was injured in a fall from his bicycle recently. Eric and two young cousins were riding along when several large logs began to chase the trio, parking loudly and snapping at their heels. He attempted to swerve the animal to protect his younger children and fell to the pavement. The benefactor was driving a blue and white Ford Mustang and was wearing a blue and white checkered shirt and dark trousers. He is all the excitement we can manage to ask the name of your carrier, and Mrs. Reuther wishes to express her sincere appreciation to the good Samaritan.

SATURDAY, MAY 10, is the date for Bay-Washed Yacht Club members and their guests to mark on their calendars. The well known connoisseur of gourmet delicacies, Ballard Argus, has planned a tempting menu for the benefit dinner to raise funds for the purchase of a Flying Scot. Montie realized go into the Henry Chapman Memorial Fund and when purchase of the new vessel becomes a reality, the club may have to be enlarged to hold all the trophies won by skilled sailors.

A NUMBER of local golfing enthusiasts trekked to the Crescent City to observe play in the Greater New Orleans Open tournament last week. Jay Clark teamed up with none other than Billy Casper in pro-am play. Some observers included Joan and Red Glass, Iva May and John McDonald, Alma Galle and Lou and Pearl Kistling.

Let's spread the good news about the South!

The advertisement below tells the nation about the dramatic development of southeast Mississippi and the South in a campaign to attract even more new industry to this area. It's the first ad for 1969 in the "Report to the Nation" series—a continuing program, now in its 15th year, by Mississippi Power Company,

and its parent organization The Southern Company.

This advertisement will reach more than 2½ million businessmen across the country through the pages of BUSINESS WEEK, THE WALL STREET JOURNAL and U.S. NEWS & WORLD REPORT. It's a story worth telling. Spread it around.

MISSISSIPPI POWER COMPANY

America's Action Frontier

There's a lively new look in the heart of the South. Progress in all directions.

Industry invests more than \$2 million a day in new and expanded manufacturing facilities.

The world's most advanced ship-building yard, major automobile assembly plants, ultra-modern oil refineries, highly efficient steel mills, plants making space-age chemicals and components for nuclear reactors—all these are here or on the way.

There's also a new look in the area's traditional industries—textiles and paper. Synthetic fibers. Non-woven fabrics. Automated mills. Computer-controlled operations.

In industry in education the arts, and recreation here is America's action frontier.

And The Southern Company system continues to supply abundant, low-cost electric power for progress throughout this 120,000-square-mile area.

ABILITY & AVAILABILITY

Choose You This Day Whom Ye Will Serve

Your House of Worship Needs Both

Just For You

Who doesn't like to be remembered? It's natural to feel a certain glow when you receive a greeting card. It means that someone has thought of you, that someone cares.

Yet how foolish it would be for any of us to ever believe that we are alone or friendless. There is always Someone who cares, who cares very deeply . . . who cared enough to sacrifice His only Son for us.

At times we are all lonesome. Yet we are never really alone. There are few places in the world where we cannot, if we but look, find a church that will welcome us wholeheartedly. God's house is not like other houses. There is always room in it for one more. And when that one more has entered, there is room for yet another.

Start taking part in the life of the Church today!

THANKS

THE MISSISSIPPI STATE HIGHWAY DEPARTMENT, AND PARTICULARLY THE OFFICE OF MR. A.J. GREEN, THE DEPARTMENT'S PROJECT ENGINEER

JOIN IN THANKING THE GENERAL PUBLIC, ESPECIALLY THE RESIDENTS AND BUSINESS PEOPLE OF BAY ST. LOUIS AND WAVELAND, AND ALL OF THE REGULAR COMMUTERS ALONG THE COAST, FOR THEIR COOPERATION AND PATIENCE WITH THE INCONVENIENCES CAUSED BY THE EFFORT OF COMPLETING A MOST COMPLEX AND DIFFICULT CONSTRUCTION UNDERTAKING IN THE SIX-LANING OF HIGHWAY 90 THROUGH BAY ST. LOUIS AND WAVELAND. THE WORK HAD TO BE CARRIED ON ALMOST UP TO THE FRONT DOORS OF ALL OF THE BUSINESS HOUSES AND RESIDENCES ALONG BOTH SIDES OF THE CONSTRUCTION LIMITS OF A MOST CONSTRICTED AREA, WHILE PROVIDING FOR UN-RESTRICTED TWO-WAY TRAFFIC OF NEARLY 20,000 VEHICLES PER DAY, AS WELL AS NUMEROUS THROUGH CROSSINGS (ONE A MAJOR HIGHWAY INTERSECTION AND FOUR MAIN LOCAL STREET CROSSINGS) AND ACCESS TO ALL PROPERTY, AT ALL TIMES. IT WAS NECESSARY FOR ALL OF THE OLD TWO-LANE HIGHWAY DOWN THE MIDDLE OF THE PROJECT TO REMAIN IN FULL USE BY THE PUBLIC, (BOTH STRANGERS AND LOCAL), IN THE NARROW RIGHT-OF-WAY, WHILE A "BOOT STRAP"

OPERATION SIMULTANEOUSLY PROVIDED A COMPLETED ALTERNATE THROUGH ROUTE, SO THAT THE OLD EXISTING HIGHWAY COULD BE REMOVED. THIS WAS MOST DIFFICULT IN PERFECT WEATHER AND EXTREMELY TRYING TO INGENUITY AND TAXING IN EXPENSE AND EFFORT IN BAD WEATHER.

ALSO TO BE THANKED ARE THE MISSISSIPPI HIGHWAY PATROL, THE FORCES OF THE SHERIFF OF HANCOCK COUNTY, AND THE PERSONNEL OF THE POLICE DEPARTMENTS OF BAY ST. LOUIS AND WAVELAND FOR THE ASSISTANCE THEY FURNISHED IN ACHIEVING SOME DEGREE OF TRAFFIC CONTROL UNDER THESE ADVERSE CIRCUMSTANCES; AND ALSO MAYOR SCAFIDE OF BAY ST. LOUIS AND MAYOR LADNER OF WAVELAND FOR MANY SPECIAL INSTANCES OF COOPERATION BY THOSE COMMUNITIES.

IF WE HAVE OVERLOOKED ANYONE WHO HAS SUFFERED THE EXTREME INCONVENIENCES AS HAVE THOSE LISTED, IT IS A PURE OVERSIGHT, AND THEY ARE THANKED ALSO. IT IS OF GREAT GRATIFICATION TO THE CONTRACTOR AND TO THE DEPARTMENT THAT THIS EXTREMELY HAZARDOUS UNDERTAKING HAS BEEN COMPLETED, OVER THE SPAN OF THREE CALENDAR YEARS OF UNCEASING PROGRESS

EFFORT AND CONSTANT CARE, WITHOUT ONE FATALITY, OR EVEN BODILY INJURY, TO THE TRAVELLING PUBLIC CAUSED BY THE NECESSARILY CONGESTED AND RISKY PROXIMITY OF THE CONSTRUCTION ACTIVITIES TO THOSE PEOPLE WHO HAD TO TRAVEL THROUGH OR ACROSS THE WORK, OR WHO LIVED AND MADE THEIR BUSINESSES ALMOST WITHIN THE WORK AREAS.
